

Rubric

Instructor: Please check the appropriate box (competent or below standard) to reflect the student that is being considered for the Advanced Health Professions Program. One completed rubric is needed from the student's English teacher **AND** the student's Biology **OR** Chemistry teacher.

COMPETENT	BELOW STANDARD	
		<i>Responsibility:</i> Exerts a high level of effort, works hard to become excellent at tasks, pays attention to detail; displays high standards in attendance, punctuality, enthusiasm, and works toward forward reading goals.
		<i>Self-esteem:</i> Believes in own self-worth and maintains a positive view of self; demonstrates knowledge of own skills and abilities; is aware of impact on others, and knows own emotional capacity and needs and how to address them.
		<i>Sociability:</i> Demonstrates understanding of friendliness, adaptability, empathy, and politeness in individual and group settings; relates well with others, responds appropriately as the situation requires and is respectful to others.
		<i>Self-management:</i> Assesses own knowledge, skills, and abilities accurately, sets well-defined and realistic goals; exhibits self-control and responds to feedback unemotionally and non-defensively; is self-starting; accepts supervision.
		<i>Integrity/honesty:</i> Can be trusted; holds personal and societal values and chooses an ethical course of action; takes pride in work.
		<i>Attitude:</i> Maintains a positive outlook on tasks; handles duties cheerfully and is willing to take on new and difficult tasks without complaining; is positive toward authority.
		<i>Initiative:</i> Can develop and carry through original ideas; demonstrate the ability to progress through daily routines without much supervision.
